PSA: Please let it be known, Israelis and Jews protecting Israeli/Jewish child sex criminals, abusers and traffickers will no longer be tolerated in OUR fucking country.

👺SIGAL CHATTAH👺

*She's an Israeli Jew living in the United States and is currently serving as the U.S. Attorney for NEVADA.

*SIGAL CHATTAH recently "decided" NOT TO PROSECUTE TOM ALEXANDROVICH, the ISRAELI PEDOPHILE who happens to be the EXECUTIVE DIRECTOR of the ISRAEL NATIONAL CYBER DIRECTORATE (INCD) and the HEAD OF AI & DATA for the ISRAELI GOVERNMENT.

*ALEXANDROVICH was just CAUGHT RED-HANDED in an FBI CHILD SEX RING BUST in LAS VEGAS, soliciting AMERICAN CHILDREN for SEXUAL ABUSE.

*But instead of facing prosecution and having a court date scheduled for his felony charges, he was released from custody and allowed to flee the country back to Israel.

The Las Vegas prosecutor (and ISRAELI), Sigal Chattah, is arguably the biggest reason why Alexandrovich was released.

But that's just the BEGINNING of Sigal Chattah's problems, sports fans. And why is THAT, you ask? Welp. For really 3 reasons:

1. Because Sigal Chattah is closely related to DR. AVIV ITZHAKI, from FOCUS MENTAL HEALTH SOLUTIONS.

2. Because AVIV ITZHAKI is involved in that grotesque "PSYCHOLOGICALLY ABUSING and/or PHYSICALLY HARMING any PRO ATHLETES and ROCKSTARS" racket Israel/Jews seems to LOVE RUNNING on ANYONE who "steps out of line" about JEWS and starts DISCUSSING THEIR NOTICING™ publicly.

(See Kanye West, Michael Jackson, Chandler Jones, etc.)

3. AVIV ITZHAKI is also the name of the HEAD OF OFFICE OPERATIONS at the LUDEN GROUP in TEL AVIV, who held SENIOR ROLES at the JEWISH AGENCY (Likud/Meridor), the MINISTRY OF ALIYAH AND INTEGRATION and… the same ISRAELI KNESSET that brought us our pedophile Head of Israeli AI & Data homeboy, TOM ALEXANDROVICH.

All the Cohencidences™ these days, Frens.

We'll definitely wanna be discussing the importance of PROTECTING AMERICAN CHILDREN from ISRAELI GOVERNMENT PEDOPHILES with Sigal Chattah in person in MUCH further detail. So I'd imagine she'll prefer we meet her here:

Yes, the judge who allowed the pedophile Israeli Likud Head of AI to go back to Israel is a fucking JEW. This shit will lead to Jews being banned from the bench entirely.

About
hi my name is Aviv.
Experienced public sector leader and office operations executive, with a strong background in government, policy, and nonprofit collaboration. With a proven track record managing large teams and supporting executive leadership, I bring a unique blend of strategic thinking, hands-on management, and a deep commitment to social impact.
Over the years, I have held senior roles in the Knesset, the Ministry of Aliyah and Integration, and the Jewish Agency – leading initiatives that supported underserved populations, promoted equity, and enhanced public services.
My passion lies in building bridges between government, civil society, and the business sector to drive meaningful change.

From CHANDLER JONES'S IG:

"Hi Chandler, this is Dr. Amber from the NFLPA. Dr. Aviv Itzhaki is trying to reach you to speak with you about your appointment yesterday…"

It’s so fucking convenient how they ALWAYS find ways to make them look crazy, when it’s obvious they’re simply trying to communicate to the rest of the world the heinous bullshit happening to them without coming right out and saying it and getting completely destroyed/cancelled by JUDEA.

NOTE: It lists Dr. Itzhaki moved to LAS VEGAS from GAINESVILLE, FL (Shirion Collective/Dan Linden/Adam Milstein/IQT), and while it mentions his having done an INTERNSHIP & RESIDENCY in PSYCHIATRY at the UNIVERSITY OF FLORIDA, it does NOT specify where he attended MEDICAL SCHOOL. Take note of the clever wording in his bio…

It ALLUDES to it, so a casual reader might skim his bio and ASSUME “yeah, he went to UF for Medical School too,” without becoming suspicious about why they omitted which med school he attended… but it DOES. NOT. SAY. THAT.

It just says he graduated with a dual MD and an MBA in PUBLIC HEALTH, which basically mirrors the people who’ve been MOST WRONG (LYING) about EVERYTHING during the COVID bullshit.

They intentionally worded it JUST vaguely enough that they could ABSOLUTELY SKATE in a court of law, if ever he was accused of FALSIFYING MED SCHOOL CREDENTIALS from UF.

Fuck. Them. Fuck Sigal. FUCK ISRAEL. 🖕

He's talking to you @JGreenblattADL - the useless feckless moron who's more concerned with fighting against Islamophobia, for BLM and LGBTQ+ than protecting Jews and supporting Israel. The $6 Bill Biden just gave Iran should be landing in **Gaza** soon. jpost.com/diaspora/antis...

I call this a great renovation. **All** those "innocent civilians" they were cheering and singing as raped Israeli hostages and dead Israeli bodies were defiled and driven into Gaza on October 7. **Kill. Them.All** 💣💣💣

People forget that only a little over 20 years ago, **muslim** terrorists slammed commercial planes into two buildings in NYC killing thousands of people. Now, would we rather send American boys and girls to fight terrorists in the Middle East or is it better to bankroll Israel to fight it. Islamic terrorism is only spreading- how much American blood are we willing to spill fighting it. #StandWithIsrael

For 15 months, hundreds of thousands of Americans protested to stop the genocide and help the innocent bystanders. These "innocent bystanders"all need to be classified as terrorists for providing substantial assistance to Hamas, Al Shabab, Muslim Botherhood and every other FTO in Gaza. Justice or death.
Hen Mazzig @HenMazzig · 1/19/25
The scenes of an angry mob & dozens of armed men in central Gaza ahead of the 3 female civilian hostages release are horrifying.
Hamas turns every moment of this process into another weapon to psychologically torture and scar the hostages, along with all the Israelis watching.

On this Global day of Jihad, I'd like to remind everyone in the US following: 1) Muslim fundamentalist consider the 200 million Christians living in the US "kafir" (infidels) and enemies of Islam 2) Our border is wide open 3) They'd love to establish a caliphate in the US and are already here. 4) If you see something-say something.

. @son_of_hamas has told the West over and over that Islam is not a religion of peace. Islam is a religion of war, and most Muslims don't understand the true nature of Islam. When will learn?

Again, American Jews shooting themselves in the head. Why the hell would you bring a theological issue which is a massive difference between the religious ideologies as an example of antisemitic rhetoric and offend half the nation that allows you to exercise Judaism freely. Unbelievable-these people are worse than the Palestinians-never miss an opportunity to miss an opportunity. I'm with @mattgaetz on this all day-every day. x.com/FmrRepMattGaet...

Donald Trump knows Sigal Chattah would be soundly rejected by both sides of the aisle if she had to be confirmed by the U.S. Senate, which is why he's relying on an unconstitutional maneuver to keep her in this role indefinitely.
This is an outrageous move, and I call on the legal system to immediately remove her.

They think they’re fucking scared right now, but trust me, they only THINK they are. We haven’t even BEGUN to fight yet.
